

Department of Baccalaureate Nursing RN/BSN Advanced Placement Option

If you are a **registered nurse** who is interested in a baccalaureate program in nursing, Mississippi University for Women's Division of Nursing has an Advanced Placement Option that is designed just for you. In order to meet the needs of the working registered nurse we have adopted two flexible options.

1. Partial Distance Option: combination of distance learning and classroom setting. During first semester the student attends class one day every other week ; second and third semesters the student attends class one day every three weeks.

2. Total Distance Option: All course requirements are communicated via computer based instruction. The student is not required to attend class.

Navigating Through the Admission Process:

STEP 1:

STEP 3:

ADMISSION TO THE UNIVERSITY

Students must apply for admission into the university. Admission to MUW does **not** guarantee admission to the RN/BSN Advanced Placement Option. The program has a separate application and interested RNs must contact the office and request an application. Apply to the W by visiting the Admissions website and completing the Online Admission Form , providing proof of Immunizations and having all transcripts mailed to the Office of Admissions.

STEP 4:

ADMISSION INTO THE RN/BSN ADVANCED PLACEMENT OPTION

Students should contact the RN/BSN Advanced Placement office for an application to the program. Classes are admitted in May and August each year. The May class application deadline is April 1st. The August class deadline is July 1st. Click on Admission Policy below.
