

Department of Associate Nursing

Generic Option

This is an innovative, fast-paced, two-year program leading to an Associate of Science in Nursing degree. The Associate of Science in Nursing Program prepares nurses to manage direct care to clients with commonly recurring illnesses in acute and long-term health care facilities. There is an optional externship program between the first and second years and a three-week preceptorship experience immediately prior to graduation. All graduates are eligible to take the licensing exam for registered nurses. Graduates of this program will have the educational foundation to pursue a Bachelor of Science in Nursing degree through an advanced placement option for registered nurses.

Since its inception in 1971 with 135 students, the Associate of Science in Nursing Program at Mississippi University for Women has been committed to excellence in nursing education. Over 1,500 graduates are employed as registered nurses in acute and community health care settings throughout the United States.

Navigating Through the Admission Process:

STEP 1:

CONTACT

If you are interested in the ASN Program, please contact :

Phone: 1-662-329-7311

Fax: 1-662-329-8558
e-mail: asn@muw.edu

▶ **STEP 2:**

ADVISEMENT

For academic advisement information, please call 1-662-329-7311.

Prospective students who plan to take non-nursing courses at other institutions should contact the program chair regarding transfer of credit prior to taking the courses. The Human Anatomy & Physiology and Microbiology courses must include labs. A minimum grade of "C" must be earned in all required courses for the ASN curriculum. Two failures (less than "C") in a required science course will disqualify a student from admission into the ASN Program.

▶ [ACADEMIC CALENDAR](#)

▶ **STEP 3:**

ADMISSION TO THE UNIVERSITY

Students must apply for admission into the University. This is done by completing an MUW Admission Form, submitting a completed Immunization Form and Health Examination Form and having all transcripts mailed to the Office of Admissions. The following link will provide you with admission information:

▶ **STEP 4:**

ADMISSION INTO THE ASN PROGRAM

The application to the ASN Program is separate from the application to the University. Applicants must submit transcripts of all colleges attended and an ACT score to the program office. Click on the links below for information concerning requirements, deadlines and curriculum. New applications will be available starting in December of each year and will be posted to this website or you can contact the ASN office to have one sent to you.
